Dedication

The 1975 Falcon yearbook is dedicated to the memory of Laura Mammarella. Her warm smile and friendly face will long be remembered by her friends and classmates.

AWAY — James Whitcomb Riley

I cannot say, and I will not say
That she is dead. She is just away.
With a cheery smile, and a wave of the hand,
She has wandered into an unknown land.
And left us dreaming how very fair
It needs must be since she lingers there.

And you — O you, who the wildest yearn
For the old-time step and the glad return —
Think of her faring on, as dear
In the love of there as the love of here;
Think of her still as the same, I say:
She is not dead — she is just away!

Mr. Cardarelli, affectionately known as Gus, retired at the end of the first semester of this school term. He began his thirty-five year teaching career in Bethany (Kansas) College in 1939, he then moved to Redstone where he taught from 1940 until the jointure. He has taught health in the Brownsville Area School District since 1965.

Mr. Cardarelli has also taught physical education and general science. He was head football coach in 1941-44 and assistant football coach from 1944-1952 at Redstone High School.

His future plans for his retired years include a trip to Italy and managing his sporting goods store in Republic.

He enjoys teaching, and the students keep him high-spirited. The students and faculty consider Mr. Cardarelli one of the greatest and kindest faculty members at Brownsville Area. We have enjoyed knowing him and we'll miss him.

Good luck in your future years, Gus!
